Site Map (REQUIRED) - You may draw your site plan on this form or submit a separate drawing)
Scaled drawing showing all existing structures, proposed construction, and relation to all existing private or public roads, existing utilities, utility or other easements & rights-of-way. Show all setbacks and all existing boundary lines.

Example Map

** Double-ended arrows () indicate where a setback (measured in feet) should be included by the owner and/or Applicant. If there are any questions, please ask the issuing Zoning Officer.

Place your scaled drawing here
For sign projects, a scaled drawing of the sign is required.

III. Certifications (must be completed by owner before permits will be issued):

- a. That all information set forth in the above application is true and correct.
- b. That all construction activity will comply with all applicable codes and ordinances, including but not limited to: zoning, floodplain, lighting, subdivision and land development, erosion and sedimentation control, etc.
- c. It shall be the responsibility of the permit applicant to contact all utility providers (water, sewer, electric, TV, telephone) for this property. The applicant shall be required to meet any or all utility location or re-location requirements of the respective utility provider. By signing this application, the applicant agrees and understands that issuance of this permit does not approve or waive the applicant from meeting all requirements of utility providers.

Applicant's Signature
